

# California Calls . . .

Nor-Cal Packards invites you to join hundreds of your closest friends for a week of relaxed motoring and sightseeing at the 2020 National Meet in Rohnert Park, California.

Get your Packard ready for scenic drive tours through the world famous Napa Valley and along the rugged Pacific Coast.

Relax as you travel through San Francisco by luxury motor coach to enjoy the beauty of the Academy of Art Automobile Museum.

Display your Packard in a park like setting for the National Judging day. There will be winners in every class and the opportunity for West Coast cars to come home with the Pre-War and Post-War "Best of Show" trophies.
